This purchase pre-agreement is made at the time of breeding Pembroke Welsh Corgi bitch:
_____ to Pembroke Welsh Corgi male:
_____.

The undersigned prospective buyer(s) agree to the following stipulations.

At the time of the breeding, prospective buyer(s) will complete the Purchase Pre-Agreement and accompany the Agreement with a payment of \$100.00 to Judy Garbarino, the litter owner. The payment ensures the buyer(s) a place on a waiting list for puppies produced from the above-named bitch and male. The \$100.00 payment will be applied to the total purchase price of a puppy. The \$100.00 is non-refundable if for some reason the buyer(s) decide not purchase a puppy. The payment will be refunded to the buyer(s) **only** for the following reasons:

- (1) If the number of puppies in the litter is less than the number of buyer(s) on the waiting list; or
- (2) The above-name bitch does not produce a litter from the above-named breeding.

After the puppies are three (3) weeks old you will be required to send a payment to the litter owner equal to half of the purchase price of a puppy accompanied by a completed Sales Contract agreement. Puppies will be ready to be placed in their new home between 7 and 8 weeks of age unless other arrangements are made in advance by the buyer(s) and agreed upon by the litter owner.
